

To the Members of the California State Assembly:

I am returning Assembly Bill 566 without my signature.

While the intent of this bill is to preserve low-income housing, the fact that a majority of mobilehome park residents do not support a conversion is not an appropriate means for determining the legitimacy of a conversion. The law is not intended to allow park residents to block a request to subdivide.

For this reason I am unable to sign this bill.

Sincerely,

Arnold Schwarzenegger
